GLOVES & ACCESSORIES

Mini Product Brochure 2018

A bit about us...

Dirty Rigger® produces gloves and accessories which combine durability and comfort with a style which has attracted a worldwide fan base. We select the best possible materials to ensure durability, with a design based around specific user requirements. Our products are designed specifically to serve professionals working in the Outdoor Events, Rigging, Theatrical and TV / Filmset industries, amongst many others.

## Comfort Fit™ Rigger Glove

Comfortable durability

ALSO AVAILABLE  
IN FINGERLESS

ALSO AVAILABLE  
IN FRAMER

Provide your hands with a comfortable barrier against a moderate manual working lifestyle. The fitted design moves with your hands as you work, minimising the risk of snagging and making it a comfortably light glove to wear.

## Gaffer Holder

An extra hand by your side

Acting as a tool leash, the Gaffer Holder quickly and securely offers an accessible strap for holding tools, clamps, bags and, its original design intention – gaffer tape. The quick release buckle allows for single handed use, while the adjustable strap provides up to a 70cm circumference for larger items.

Gaffer roll not included. General use only. Not intended for working at height or fall arrest.

## 4-in-1 Podger Ratchet

A solid steel combination podger

Metric podger wrench socket sizes - 17, 19, 21 and 24mm  
Imperial podger wrench socket sizes - 15/16 inch hex, 3/4 inch hex, 1/2 inch square and 7/8 inch hex

4 socket sizes, all constructed from solid steel and coated in an ultra-tough nickle chrome plating. Fully compatible with Dirty Rigger® Tool Lanyards, the 4-in-1 Podger is an essential piece of equipment for any rigger.

## Podger/Tool Lanyard

The lanyard redefined

Wire coil design  
to reduce unstretched  
lanyard length

Suitable for most  
podgers or tools with  
small eyelets

Dirty Rigger® lanyard  
& mini loop set

Anodised aluminium  
alloy carabiner clip  
with captive eye, 360°  
rotation and self locking  
mechanism.

Maximum working  
load 1kg / 2.2lbs

Black/transparent  
low profile design

70cm unstretched length  
128cm extended length

Fitted with the innovative Dirty Rigger® Mini Loop, the new Podger/Tool Lanyard has been designed to be compatible with most hand-held manual tools, especially those with super-small eyelets, just like the Dirty Rigger® Podger.

Podger shown for demonstration purposes only and not included.

## Podger Holster

The handy little pocket for your Podger

Durable 1200 denier  
nylon polyester  
construction

Moulded EVA  
foam helps maintain  
holster shaping

On the back:  
Belt clip & belt loop  
for your preferred  
attachment

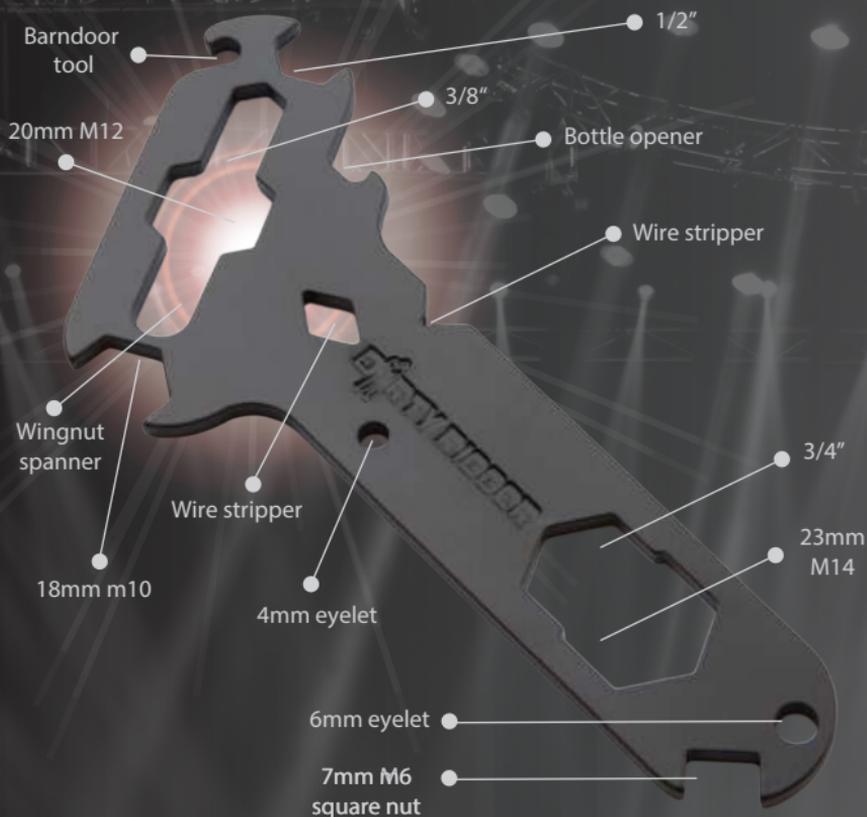

Keep your podger right by your side with the Dirty Rigger® Podger Holster. Tidy and discreet, the holster is designed to fit the Dirty Rigger® 4-in-1 Podger and most other podgers of equal size.

Podger shown for demonstration purposes only and not included.

## Multi-Tool

14 tools in one hand

So simple, yet it's indispensable. Cut from 4mm hardened steel, it's one of the toughest multi-tools of its kind on the market. 14 separate tools remain instantly available, with every one designed around some of the most common needs in the professional rigging industry.

## LED Chest Rig

Keep your tools close to your chest

Store your essentials on this light weight, compact Chest Rig with integrated 140 lumen LED. Water and shock resistant, the multi-function light source is easily removed for hand-held use and comes complete with a replaceable battery pack.

Chest Rig contents & accessories not included.

## Tech Pouch 2.0

The essentials riggers tool pouch

An abrasion and puncture-resistant 4mm rubber base helps prevent pointed tools from piercing through the bottom of the pouch. Help keep your equipment organised with a 2.5ltr master pocket and 5 slip-in pockets positioned around the inner walls.

Tool bag contents & accessories not included.

## Tool Belt

Ventilated tool belt

Allow your waist to breathe with Dirty Rigger® multi-layered material construction. The padded 3D internally-breathable mesh provides excellent ventilation throughout the belt, minimising uncomfortable under-belt sweat.

## Padded Utility Belt

Breathable, padded tool belt

Spread the load with an extra wide 12.7cm (5") padded belt-back, lined with a breathable mesh and specially selected foam for optimum all-day comfort. Move freely as the belt narrows at the front and sides, minimising bulk and restriction of movement.

## Pro-Pocket™ 2.0

Instant access, verticle storage

Low profile, light weight and extremely durable. The Pro-Pocket™ 2.0 has a unique layout design which enables it to hold a professional's must-have tools and necessities, with minimal bulk.

Tool bag contents & accessories not included.

## Pro-Pocket™ XT

More tools, minimal bulk

Inner tool compartment

On the back:  
Belt clip & belt  
loop for  
preferred  
attachment

Constructed from  
durable 1200x1200  
denier nylon polyester

Internal  
smart phone  
compartment

Headphone cable  
pass-through

Inside:  
2 x vertical tool  
slots mounted in  
each compartment

Vertical storage,  
quick-access layout

1 of 2 external,  
instant-access  
elasticated tool  
loops

Detachable  
27cm accessory  
loop

The Pro-Pocket™ XT provides a tool storage solution which falls between the Pro-Pocket™ 2.0 and the Tech Pouch / Tech Pouch 2.0 for storage capacity. While still relatively compact, it's innovative internal and external layout provides an impressive level of tool storage with minimal bulk.

Tool bag contents & accessories not included.

## Carpet Crawler™

Tidy cables help make safer cables

Designed to work  
with most types  
of carpet

Rolls up when  
not in use

High visibility  
black/yellow or  
plain black styles

Extremely durable  
700 denier polyester  
construction

Repositionable  
grippers

Highly visible  
hazard design

1 meter / 3.3ft long  
inter-connecting  
sections

All black version also available  
Fire retardant version available on request

Help make people aware of your cables and help minimise trip hazards with the Dirty Rigger® Carpet Crawler™. Simply lay over loose cables and secure using the carpet grippers running along each edge. Inter-connecting tabs on each Carpet Crawler™ allow you to link an unlimited number together.

Intended for use on carpeted areas only.

Always test before use to ensure a secure carpet grip is achievable.
